Welcome to the Professional Women's Largest Annual Event in Pakistan

Dear Colleague

We take great pleasure in welcoming you to the *First Edition* of **“WOMEN LEADERSHIP SUMMIT”** on **Saturday, May 23, 2015** from **0900 hours to 1700 hours** at **Pearl Continental Hotel, Lahore, Pakistan**. Theme for this summit is **“New Age Leadership: The Gender of Talent”**.

The 20th Century witnessed the crumbling of the career barriers based on race, class and gender. The breakthroughs of the past millennium are becoming the basics of the new millennium. However, the progress remains slow in the area of gender equity.

Women continue to be rare in corporate boardrooms. Most companies are struggling to find senior women executives for board appointments to comply with the new Companies Act. How can this anomaly be corrected? How must the business and social leadership evolve to meet the expectations of the new generation? What must be the new culture of leadership in the new millennium?

Considering the above imperatives, Nutshell Forum is organizing a summit on **“New Age Leadership: The Gender of Talent”**. Eminent leaders from business, government, development organizations, media and entertainment will come together at the conference to deal with the key issues concerning women's opportunities and challenges in management roles.

WOMEN LEADERSHIP SUMMIT features intensive debates, keynote talks, conversations, interviews, interactive entertainment and round table discussions.

We're looking forward to great food, great music, and great conversations with great colleagues – and that, we hope, includes you! See you in **LAHORE**, *the Cultural Capital of South Asia* at **WOMEN LEADERSHIP SUMMIT!**

Sincerely

Muhammad Azfar Ahsan
